

THE LUMS EXECUTIVE MBA ADVANTAGE

Programme Design

A unique schedule that allows busy executives to balance work and personal life, while making a strategic investment in their careers.

Applied Learning

The case method of teaching and the EMBA projects enable students to immediately put into practice the techniques learned in the programme.

Elite Peer Group

The EMBA class consists of an elite peer group of accomplished mid-career professionals who represent a wide cross section of industries and roles, resulting in rich, cross-functional perspectives and productive collaborations.

Faculty Expertise

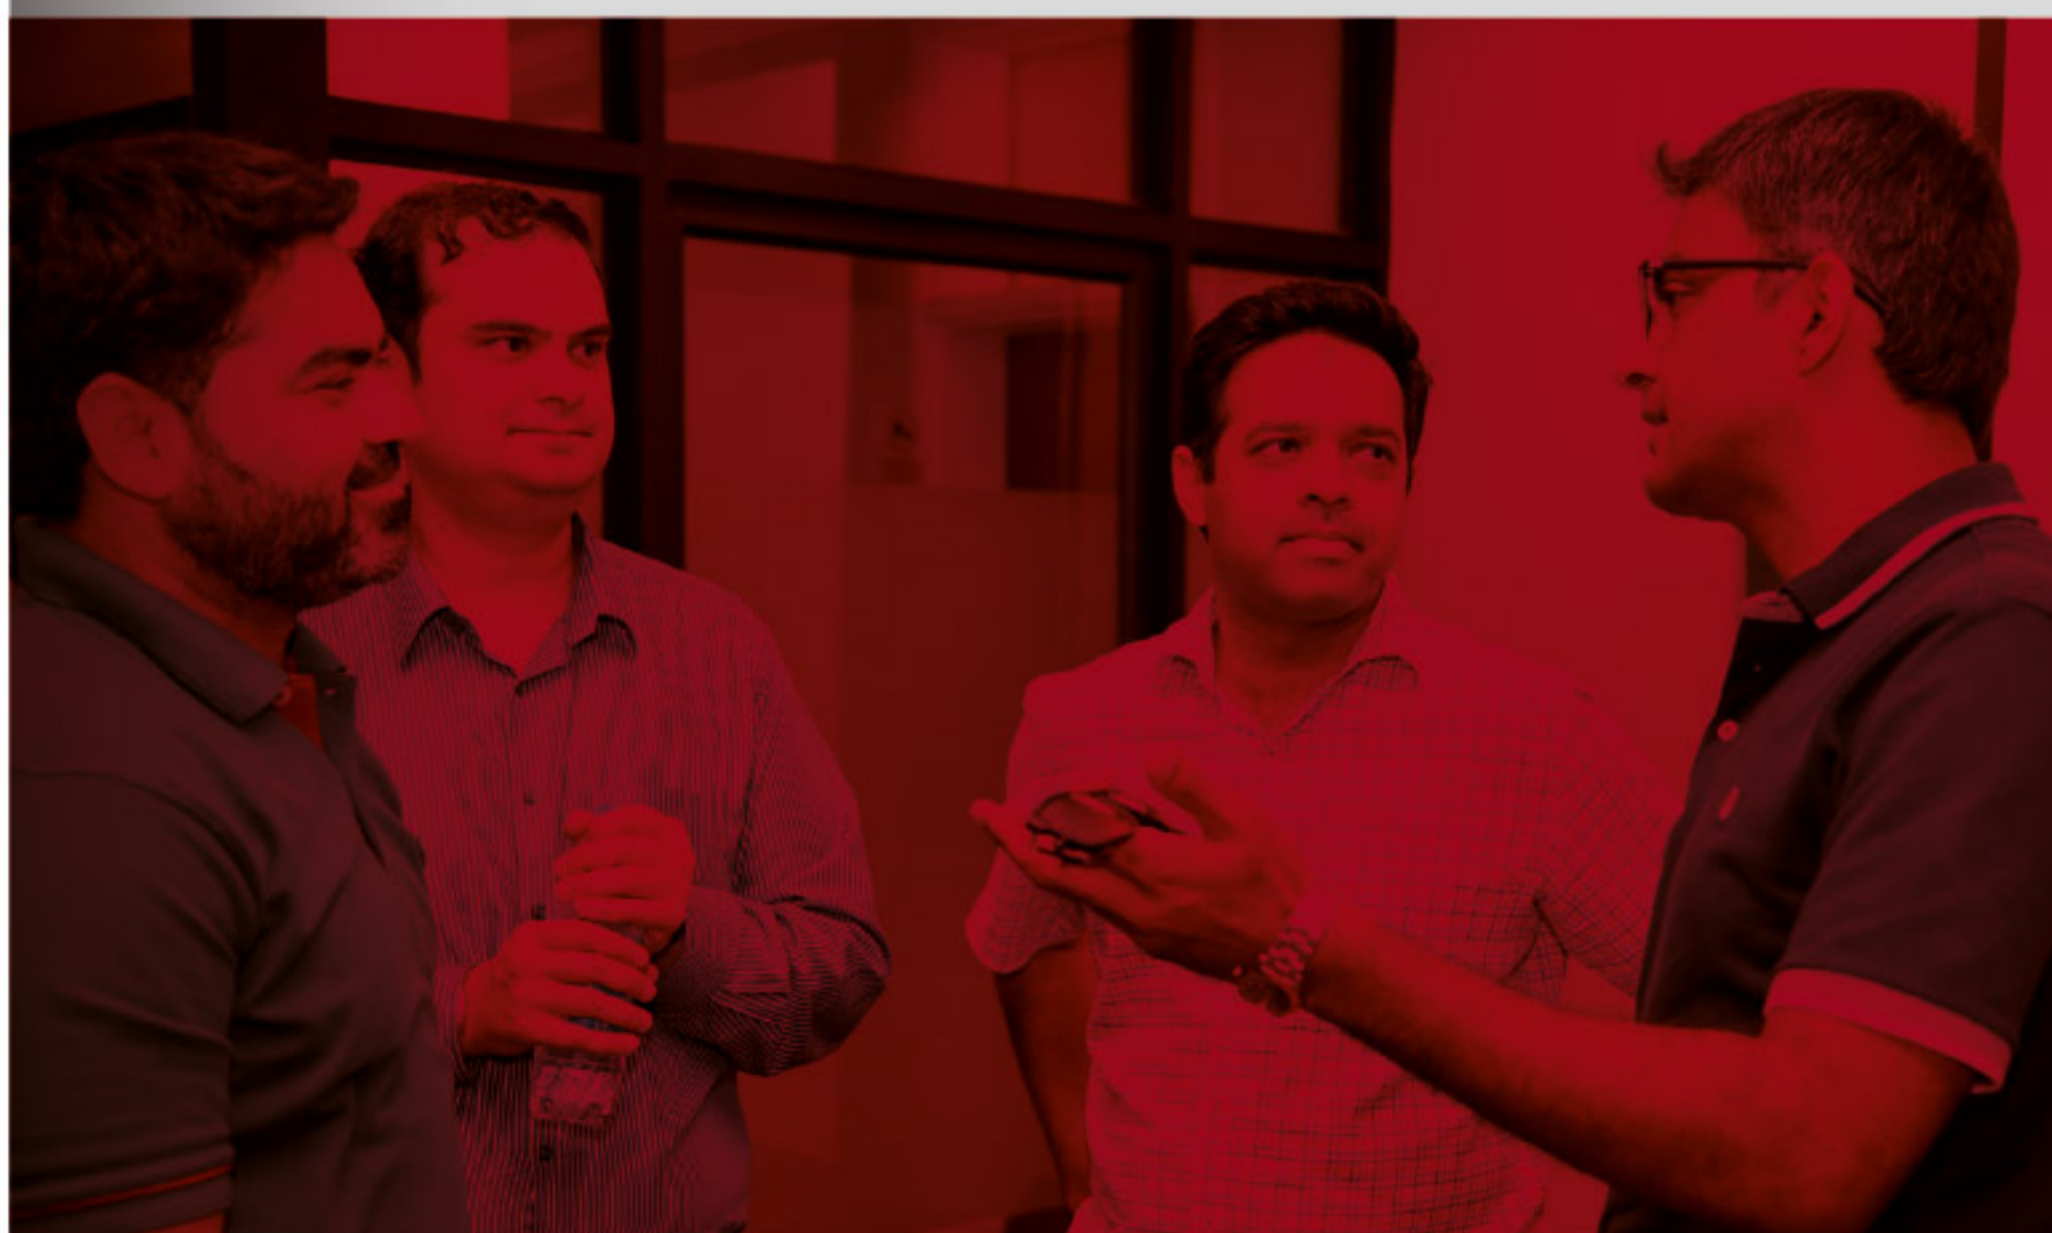

The LUMS faculty are prominent architects in the creation of best practices in management, finance, innovation and strategy. During the programme, students collaborate with them to develop the advanced management capabilities needed to realise their organisations' strategic goals.

LUMS Community

LUMS EMBA students gain access to a tight-knit community of influential thought leaders, research centres and 27,000+ executive alumni.
